Family proof required, ID required!

SAFETY ON THE SKI SLOPES

Please follow the FIS piste rules:

- + Only use marked and open slopes!
- + Look up before you start!
- + Do not ski recklessly, ski in a controlled manner!
- + Pay attention to what is happening in front of you and ski on sight!
- + The slower skier in front has priority!
- + Do not linger in blind or narrow places on the slopes!
- + Attention off-piste (closed & avalanche danger)!
- + The pistes are closed after closing time without exception due to cable winch preparation! Danger to life!

Slopes- and rescue service: The marked and open ski slopes are open ski slopes are monitored by the rescue service. In the event of a ski accident, there is a fee for the rescue service, which is charged according to the amount of work involved. Reporting points: Ticket office, lift and drag lift stations!
